bluesign®

### **Get involved in an environmentally friendly and secure textile production – and become a part of a sustainable movement.**

bluesign technologies is a globally operating company with its headquarters in St. Gallen, Switzerland. We offer solutions for the textile and related industries to produce safe and environmental friendly products. Our customers include major brands, chemical suppliers and manufacturers. Our employees include motivated professionals, focused specialists – and maybe even you soon.

To improve our teams in St. Gallen, Switzerland/Augsburg, Germany, we are looking for two

# **Auditors with experience in textile and related industry**

#### **job description**

Our auditors conduct audits with regard to environmental, occupational health and consumer safety aspects in different kinds of companies involved in the textile chain. The auditors plan, prepare and carry out audits. The findings are documented in comprehensive and consultative audit reports which evaluate the compliance of the audited company with the requirements of the bluesign® criteria. Necessary corrective actions and proposals for improvements are compiled in action plans and recommendations. The implementation of corrective actions is checked. This job is challenging – and it offers the unique chance to make a change towards sustainability in the world of textiles.

#### **major responsibilities**

- After a short training period, conduct autonomously complex environmental/OH&S audits in textile mills, plastics industry, electroplating and other branches
- Prepare extensive evaluations and audit reports in English
- Follow-up corrective actions

#### **ideal profile**

- Technical degree with education in textile chemistry
- Professional technical experience in the textile industry (dyeing, finishing, printing, coating) and/or in the environment, health & safety field
- Knowledge in manufacturing of textile accessories
- Extensive auditing experience (ISO 14001, OSHAS 18001)
- Excellent English skills (especially written)
- Good MS Office skills (Word, Excel)
- Proven ability to work independently and collaboratively
- Readiness of mind
- Willingness to travel (worldwide; up to 40%)
- Intercultural experience

We offer you a varied and responsible role with lots of freedom in an international and dynamic environment. High social benefits, a modern workplace and flexible working hours are a matter of course for us in a growing company.

Interested? Then please send us your application documents with a photo, your earliest possible start date and your salary expectations via e-mail to Ms Ruth Franke, HR, [ruth\\_franke@bluesign.com](mailto:ruth_franke@bluesign.com) – we look forward to getting to know you.
